## About the Canaan Lake Association

The purpose of the Canaan Lake Association is to promote the conservation of Canaan Street Lake and areas immediately surrounding it, to protect their beauty and recreational value.

### We accomplish this through . . .

- Sponsoring educational activities and distribution of literature on watershed protection, boating safety laws, etc.
- Providing a forum where Members and residents of the area can become acquainted and can discuss the problems of the Canaan Street Lake area.
- Providing a channel for communication between the Association, the Town of Canaan and other government agencies.
- Supporting, with approval of the Members, conservation groups that operate statewide in New Hampshire and which advocate environmentally responsible State laws.

**Paid & Volunteer Lake Hosts Needed!** Boat Ramp Lake hosts are needed on summer weekends at \$10 per hour, minimum age 16. Volunteers are also needed to cover lunch breaks for Lake Hosts. This program helps to keep Canaan Street Lake free of invasive plants and animals by inspecting boats and trailers. No experience necessary, and training will be provided. If you are interested, paid position candidates should email Ann Berry at [abb175@gmail.com](mailto:abb175@gmail.com) while volunteers should call or text Dave Webster at 603-304-7760.
