About the Canaan Lake Association

The purpose of the Canaan Lake Association is to promote the conservation of Canaan Street Lake and areas immediately surrounding it, to protect their beauty and recreational value.

We accomplish this through . . .

- Operating the Lake Host and Weed Watcher programs to prevent the spread of invasive species
- Sponsoring educational activities and distributing information on watershed protection, boating safety laws, etc.
- Providing a forum where residents of the area can become acquainted and can discuss the problems and opportunities of the Canaan Street Lake area.
- Providing a channel for communication between the Association, the Town of Canaan and other government agencies.
- Supporting, with approval of Members, esthetics, recreation, environment, water quality, and conservation advocacy groups in New Hampshire.

Notice: In April, the Board amended bylaw #19 to eliminate a conflict of interest. In the last sentence, "Board" was replaced by "Nominating Committee", and #19 now reads "The term of office shall commence at the adjournment of the Annual Meeting wherein elected. No Director or Officer shall be elected to more than four consecutive two year terms, but may serve again on the Board after a lapse of one year. The Nominating Committee may waive the one-year lapse requirement by majority vote."

Volunteer Lake Hosts Needed! Volunteers are needed to cover lunch breaks for Lake Hosts at the boat ramp. This program helps to keep Canaan Street Lake free of invasive plants and animals by inspecting boats and trailers. No experience necessary, training will be provided. If you are interested, call Elizabeth Jutila at 704-664-0526 or email elizabethbjutila@gmail.com
